

## **CUT SECTION OF SHOCK ABSORBER**

**MODEL: CUT01-12**

### **FEATURES**

- Compact, comprehensive, sturdy design
- Easy and versatile operation

### **DESCRIPTION**

Our models facilitate thorough understanding because they are actual systems, apart from being life-sized. All details of construction and working of every component are clearly exposed. Different working systems are coloured differently to make learning easier. All systems are operational, if applicable, thereby ensuring that their working can be demonstrated effectively.
